Forecast For East of England
Issued by Met Office Exeter
at 1600 on Saturday 21 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Heavy rain at times over the weekend, improving next week.

This Evening and Tonight:
Heavy perhaps thundery showery rain will slowly move away eastwards through the evening, although the rain perhaps lingering in some northeastern areas overnight. Staying cloudy for all parts overnight, with light winds. Minimum temperature 15 deg C (59 deg F).

Sunday:
Sunday will be mostly cloudy. Some scattered showers developing, perhaps with the odd heavy shower in the afternoon. Becoming breezy on eastern coasts. Maximum temperature 21 deg C (70 deg F).

Outlook for Monday to Wednesday:
Generally drier and brighter from Monday, with winds easing, although the odd shower possible Monday morning. There will be warm sunny spells at times.
